Introduction

Foundation of Textile Design (FUNDIT) is a foundation to serve design education and research. FUNDIT embraces and supports creativity in all its facets. FUNDIT promotes the collaboration between ESDi and creative companies, organizations and institutions. As part of FUNDIT, ESDi shares an institutional vision that aligns with the shifts in the society, environment and economy. ESDi's future will be shaped by the core values of FUNDIT: curricular innovation, pioneering uses of curricular experimentation and a visionary's view on the collaboration between design and technology. The foundation provides financial support to activities organised within ESDi and at its allied institutions. Such financial support takes the form of various grants, including scholarships and awards.

Successful applicants are adjudicated in compliance with the requirements. The number of awards dependent on the availability of funding. Scholarships are limited in number, and subject to availability. There is a set budget for scholarships every year and the University reserves the right to withdraw, amend or discontinue any scholarship / discount from time to time. Even if an applicant meets scholarship criteria, a scholarship may not be awarded. Applicants will be assessed according to the assessment criteria set out for each program and scholarship category. The decisions made by the University are final and there are no provisions or processes for appeal.
